

## 3-Phase Distribution Board Datasheet

DB04/125, DB06/125, DB08/125, DB10/125, DB12/125, DB14/125, DB16/125, DB18/125

### Construction and Features

- Solid steel design
- Lockable door with key
- Comes with 4-pole 125A mount switch
- Pre-punched top & bottom gland plates
- MCB support on pan assembly to prevent twisting
- Switched neutral isolator
- Single phasing kit available
- For use with MC & MH MCBs and ROSB RCBOs

**NOTE: COVER PAN ASSEMBLY WHEN DRILLING GLAND PLATES**

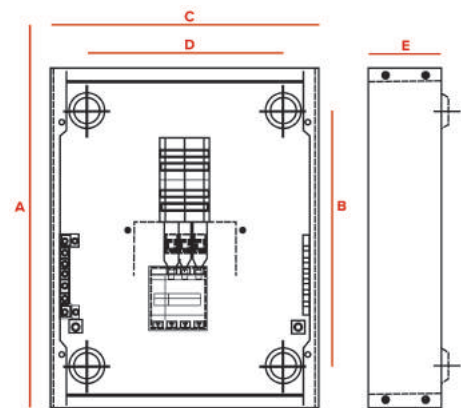

### Technical Data

- Voltage rating: 400:415 AC 50/60Hz
- Current rating: 125A, 3 phase
- Isolator: 125A, 4pole
- Available sizes: 4, 6, 8, 10, 12, 14, 16, 18
- Construction 1.2mm steel
- Mounting type: x4 key whole
- IP20

### Wiring Diagram

N/A

### Overall & Installation Dimensions

Part Number	A	B	C	D	E
DB04/125	450	350	450	355	98
DB06/125	504	394	450	355	98
DB08/125	558	448	450	355	98
DB10/126	612	502	450	355	98
DB12/126	666	556	450	355	98
DB14/126	720	610	450	355	98
DB16/127	774	664	450	355	98
DB18/127	828	718	450	355	98
